Our Gang Players is grateful for a grant we receive through the Ocean County Cultural & Heritage Commission. However this represents only about 9% of our annual expenses. Our efforts to bring affordable theater to the people of Ocean County depend on the support of our generous donors – THANK YOU!

Our programs are made possible in part by a grant administered by the Ocean County Cultural & Heritage Commission, in conjunction with the New Jersey State Council on the Arts/Department of State, a partner agency of the National Endowment for the Arts

Last year in our 34th season, we had the generous support of almost 200 “Angels” who helped keep our group alive! Please consider joining us at one of these important sponsorship levels!
